

Roopville Elementary School 2020-2021 School Supply List

Parents,

Our school is fortunate to have all school supplies provided by Roopville Road Baptist Church, Tyus Baptist Church, and RiverRock Church. The only thing you will need to supply is your child's bookbag, a reusable water bottle, and a pair of headphones to be used at school with their computer.

Individual teachers may provide a wish list and may ask for supplies to replenish their classroom throughout the year. These are items that you could donate to your child's teacher that would be greatly appreciated:

Disinfecting Wipes
Disinfecting Spray
Hand Sanitizer
Tissues

Thank you in advance for your support this year!
