DISTANCE LEARNING

DAY OVERVIEW

After two consecutive days of school closing, Carroll County Schools will implement Distance Learning Days. A Distance Learning Day will be used as a replacement day(s) rather than adding additional make-up day(s) at the end of the school year.

In the event of a school closure, Carroll County School System will communicate with Carroll County families using the following methods:

- District Website, carrollcountyschools.com
- Social Media
- School Messenger
- Local Media Outlets

Students will be able to access assignments using Google Classroom. For details about Google Classroom click [here](#). (Link to Google Classroom Graphic) For questions regarding assignments, please email your teacher in Google Classroom.

Daily class schedules for elementary, middle, and high school students are available in the Distance Learning section of the district website.

We appreciate your partnership to support student success through our Distance Learning Program!
