

Pre-K Enrollment Lottery Selection

All PK slots will be filled as stated below. Once slots are filled, then a waiting list will be held and maintain the order as follows:

Tier I- District Employee Students

Students in this tier are:

- Employee's children 4-year old students born after September 1st who live in Carroll County or 5-year old who have never attended a lottery funded PK in GA
- Employee's children who live outside the attendance zone but live in the state of Georgia

***The full-time Carroll County Schools employee must be the legal guardian to qualify for Tier I. For your child to be registered into a PK class, all registration must be finalized during the PK registration window. If all registration is not complete, the student will be moved to Tier IV.

Tier II- In-District Students

Students in this tier are:

- 4-year old students born after September 1st who live in Carroll County
- 5-year old who have never attended a lottery funded PK in GA

These names will be drawn at the PK lottery and recorded in the order in which they are drawn to the official PK list. To have a name in the PK Lottery, all registration must be finalized. Twins will be drawn together to keep families together.

Tier III- Out of District Students

Students in this tier are:

- Students who are 4 or 5-years old (if they did not attend a lottery PK) who live outside of Carroll County
- Students who are 4 or 5-years old (if they did not attend a lottery PK) who would like to attend another in-district Carroll County school

These students will be added to the official PK list behind the last student drawn from Tier II in the order in which the student registration was finalized.

Tier IV- Students Registered After Registration Deadline

Students in this tier are:

- Students who register after the cut off date of PK registration window

These students will be added to the official PK list behind the last student listed from Tier III in the order in which the student registration was finalized.
